USS McKean REUNION REGISTRATION FORM

A Note About Our Auction On Saturday Night:

One of our most fun events is our auction after the association meeting. Please bring with you a few inexpensive, fun items for the auction. Typically they are hand-made crafts or second-hand gifts or "re-gifted" items . We always have a few "gems". There are no "wrong" items. We auction them for whatever we can get and add the proceeds to our collected association dues to fund expenses and future reunions. It is fun and entertaining.
